### **REASONS FOR ALLOWANCE**

The following is an examiner's statement of reasons for allowance:

The prior art, either alone or in combination, does not disclose or render obvious a first electrode, disposed on the substrate, for tilting the optical member about the axis of the cantilever; and a second electrode, disposed on the substrate, for flexing the cantilever toward the substrate as stated in claim 5.

It is noted that the claims 5 is allowable because the unique combination of each and every specific element stated in the claim.

The prior art, either alone or in combination, does not disclose or render obvious a first electrode, disposed on the substrate proximate the intermediate portion of the cantilever, for tilting the optical member about the axis of the cantilever; and a second electrode, disposed on the substrate proximate the distal end, for displacing the distal end of the cantilever toward the substrate as stated in claim 11.

It is noted that the claims 11 is allowable because the unique combination of each and every specific element stated in the claim.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
